"I've never seen that before!"	ROV Pilot	Video Engineer	Expedition Leader	Sea cucumber
Team converts meters to feet	"How far are we from the coast?"	Data Logger	"Switch to bubble cam"	Team talks about favorite ship food
"Is that a 5-star video highlight?"	Molluscs (clams or mussels)		ROV Hercules takes sample with claw	Lead Scientist
"Two-ROV system"	Anemone	ROV Hercules takes slurp sample	"We're getting ready for watch change"	"Bridge this is Nav"
Scaling lasers used to measure	"Can we drop a target on that?"	"Are we getting screen captures?"	ROV Hercules takes push core sample	"Bio box" on ROV Hercules opens
